Medina Elementary
Paver Order Form

Did you miss the opportunity to buy a paver at the Entrance to Medina School? Would your family, child or teacher like to have a paver? Pavers make great gifts that will last a lifetime! We are offering you another opportunity to buy a paver while supporting Medina Elementary School!

There are only 100 pavers left to be placed on the pathway to the front of the school so buy yours now! Once those are sold pavers will be placed around the school!

To keep costs low Paver orders will be placed when 25 or more pavers have been sold or at the end of the school year. Thank you for your understanding!
